Sir

I have the honor to state that the President Town Municipal Council Sagar in his letter No Ll 1/32-33 dated 8th July 1932 states that the notice to the patel and the shanbhog for collection work in the municipality is being paid at the rate of 6% on the total amount realized during the year that out of 6% the patel gets 2½% and the shanbhog 3½% and that this is very inadequate when compared with the work turned out by them

The President adds that if a bill collector is employed as required by Municipal Regulation the cost per year would come to not less than Rs 660/- as the minimum pay of the bill collector would be Rs 35/- plus Rs 10/- and that a peon to him— Rs 10/-0—0

The President further states that the work of the patel and the shanbhog

in the ma[illegible] collection is very satisfactory and [illegible] the enforcement [illegible] at 6% to 7½ from the year 1[illegible] so that the rates and the [illegible] amount to 3 and 4 [illegible] respectively.

In the circumstances mentioned above I request [illegible] kindly obtain the sanction of Government to the [illegible] of the President.

A copy of the municipal Council resolution is enclosed herewith for reference.

SIR

With reference to your letter No I 1404/31 106-32-3 dated 14-8-32 directing me to intimate the authority for payment of the Octroi at the existing rate of 6% in the Sagar municipality I have the honour to forward herewith letter No I 1/32-33 dated 10/10-8-32 received from the president Sagar municipal Council together with a copy of G O No L 3778-9/31 68-31-163 dated 13/19th November 1931 therein referred to

It is seen therefrom that no general sanction has been accorded by Government in their order No I 3778-9/31 68-31-16 dated 13/19 11 1931 for payment of the octroi at 6% to the Municipalities but that the rate at that rate during 1931-32 was approved by Government

As the work of these village officials is quite satisfactory the increase recommended by the Council may be sanctioned
